THE 1970 BEAR

South French Broad School
Asheville, North Carolina

"Lives of great men all remind us
We can make our lives sublime,
And departing leave behind us
Footprints on the sands of time."

Longfellow

FOREWORD

The 1970 South French Broad annual staff would like to present its first edition of THE BEAR. Since this is the first year of consolidation of South French Broad School, we hope to present an accurate record of our happy experiences here. We have assembled this pictorial evidence to show the wonderful hours we have spent here at this school. We have been fortunate in having able teachers to guide and to inspire our lives with knowledge. This school year has been profitable as it has increased the size of our "bear paws" as they leave imprints on the sands of time. Each student has grown scholastically, physically, and spiritually to some degree.

Yet, time moves on and soon this day will be only a memory. We hope that each one of you will cherish the many fond memories of this our school for many years to come.

We sincerely thank each and every one of you who has made this first year a very rewarding one.

The Editors

DEDICATION

Mr. James Penley

As a token of our esteem and respect, we the 1970 BEAR staff hereby dedicate this yearbook to our principal, Mr. James Penley. His great patience and foresight have guided us through this year at South French Broad. His friendship and trust in us students has given us the courage to accept responsibilities and to prepare ourselves for a happier future. His genuine interest and understanding of our problems have left us with heartfelt gratitude and devotion.
